

CHRISTMAS CHOCOLATE PUDDING FUNDRAISER

In partnership with Mother of Pearl Cakes, Kilkenny, Ireland

MITRAjectoires

1 in every 200 children is a refugee. 1 out of every 8 migrants is a child.

Currently, we have the largest number of displaced people in the world since World War 2. This number is continuing to rise.

The September UPROOTED UNICEF report found that, around the world in 2015, nearly 50 million children have migrated or have been forcibly displaced across borders.

Supporting displaced and migrant children at home and globally is a shared responsibility.

We need you to help us in sharing this responsibility.

Mitrajetoires is a not-for-profit French registered organisation working with grassroots projects in the migrant camps of Northern France. The organisation's long-term projects include working with unaccompanied minors in the Jungle, Calais and in Parc des Olieux, Lille.

Mitrajetoires needs YOUR help to provide these children with their basic needs.

SUPPORT US BY BUYING A
